## PROJECTS

As a web developer pursuing a Diploma, I've gained hands-on experience through various projects that highlight my skills in HTML, CSS, and JavaScript. MY portfolio showcases my ability to create responsive designs and collaborate effectively, and I'm eager to contribute and grow in a professional environment.

## EDUCATION

FLORENCE SCHOOL, Nishtar Road  
(Matriculation/Inter) Month 2019 — Month 2022  
Completed Matriculation in Computer Science.

Aptech Institute, Garden Center  
(Month 2026 - Month 2027)

Currently enrolled at Aptech Institute, Garden Center, where I am developing my skills in full-stack web development through hands-on projects and practical training. The enrollment period is from August 2024 to August 2027.
